

BEFORE & AFTER

Whether you are looking to set up a new squash arena or you need to renovate or maintain your existing facility, **GO SPORTZ – Squash** is your **ONE STOP SOLUTION**.

Go Sportz has partnered with **ASB**, the world leader in Squash Facilities. ASB supplies to most of the important tournaments in the world such as The World Championship, PSA Masters Events & The Commonwealth Games. Go Sportz prides in its alliance with ASB to provide you with nothing but the highest quality of squash courts.

Go Sportz is proud to be associated with the SQUASH & RACQUETS FEDERATION OF INDIA & THE TAMIL NADU SQUASH ASSOCIATION. With over 150 courts serviced across the country we have some of the most prestigious squash facilities as our clients such as: The Cricket Club of India, Otters Club, Willingdon Club, Delhi Gymkhana, The Indian Squash Academy, The Calcutta Squash & Racket Club, Daly College, Bangalore Club, Karnataka State Cricket Association, Jammu Club to name a few.

Go Sportz is also equipped with providing high quality, international standard surfaces and infrastructure for sports like tennis, basketball, handball, indoor & outdoor sports as well as flooring for gymnasiums and corporate spaces. With a varied range of experience, Go Sportz is capable of providing you with complete solutions for your needs.

SERVICES 360°

We have a **360 DEGREE** approach to the services we provide. Following a project from Conception to Installation & offering value based consulting at each step, allows us to be your one stop solution.

CONSULTANCY ON SETTLING UP NEW FACILITIES

Not only do we provide for your infrastructural needs, we also provide consultancy for:

- Planning Infrastructure
- Design Layout
- Cost Analysis
- Help recruit Staff & Coaches

NEW COURT INSTALLATION

Go Sportz brings to you squash courts that can be customized to suit your budgets & facilities.

Our Planning and Design team pays attention to your specific needs and by using the latest technologies at our disposal we deliver the finest results.

In partnership with ASB, Go Sportz provides specialized squash floors and walls that are durable with **WARRANTIES OF UP TO 10 YEARS**.

We offer a range of materials that cater specifically to each of the surfaces in a squash facility.

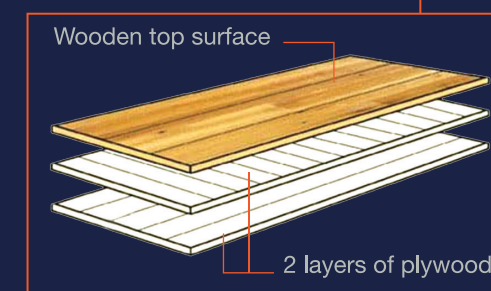

For walls we have:

1. Plastered
2. Panelled Wall
3. Glass

ONE MAY CHOOSE ACCORDING TO THEIR REQUIREMENT, ANY COMBINATION OF THESE 3 MATERIALS PROVIDED. For e.g., Panelled for the front wall, plastered for the side walls and a glass back wall.

For Floor:

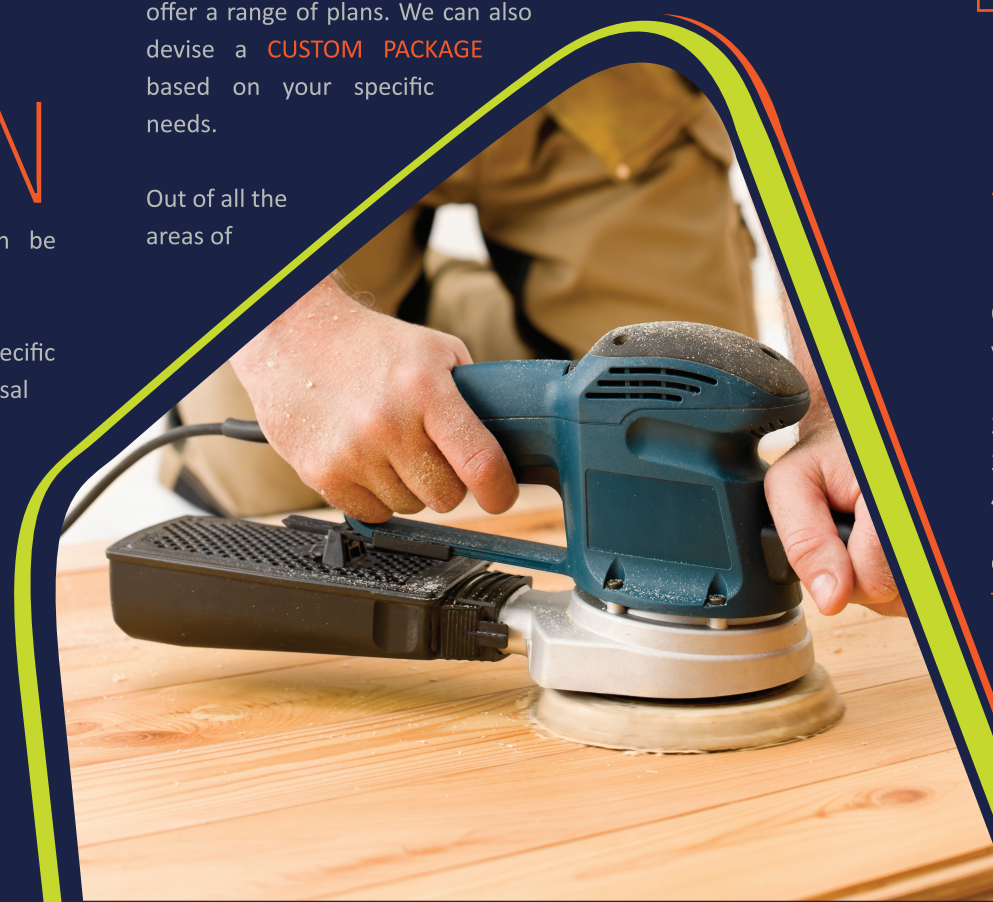

1. Low Maintenance PU Floor
2. Traditional Solid wood
3. New Age Engineered wood

MAINTENANCE PLANS

For your investment to last as long as it possibly can, we have various Maintenance Plans. From **ECO** to **PREMIUM** we can offer a range of plans. We can also devise a **CUSTOM PACKAGE** based on your specific needs.

Out of all the areas of

a squash court, the front wall endures maximum impact and hence experiences maximum wear and tear. Our maintenance Programme ensures that this surface complies with the recommended standard of performance and has a long life.

RENOVATION PACKAGES

With the Go Sportz renovation packages, you can now convert your existing courts into a world class facility.

We can offer **BASIC UPGRADE PACKAGES** to **COMPLETE RENOVATION**. The renovation package would include analyzing the existing court & suggesting the appropriate packages.

Plastered courts tend to show wear, especially the front wall, sooner than they should & need constant repair & then refurbishment. Go Sportz has the ASB System 40 Front Wall system which takes care of this problem. With extended warranties this makes it a very cost effective solution in the long term.

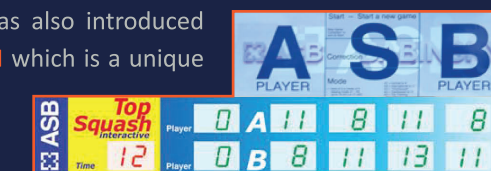

ACCESSORIES & PERIPHERAL INFRASTRUCTURE

Other than your basic surfaces, Go Sportz also provides for all your infrastructure needs such as:

1. Lighting
2. Stadium Seating
3. Lockers
4. Digital scoreboards and much more..

Go Sportz has also introduced **TOP SQUASH** which is a unique scoreboard.

WE TAKE CARE OF THE SQUASH COURT'S PLAYABILITY AS WELL AS AESTHETICS

This can be incorporated in the sound board. It makes the sound board attractive, gets the watchers interested, can be used for advertising, while also configuring it for playing different formats.

BUSINESS PLANNING & HELP RUN YOUR BUSINESS

At Go Sportz, we believe in **BUILDING PARTNERSHIPS**. Partnerships that are firm, enduring and based on trust.

If you want to set up a center, Go Sportz can help plan the layout, and also provide a business plan for generating revenue with different formats as well as provide peripheral revenue generating options.

With our close association with top squash **COACHES & INSTITUTES** we can help in setting up a coaching programs as well as help bring tournaments to the location.

device a **CUSTOM PACKAGE** based on your specific needs.

Out of all the areas of

A close-up photograph of a person's hands operating a blue and black orbital sander on a light-colored wooden surface. The sander is a dual-action (DA) sander, characterized by its rectangular body and circular sanding disc. The person is wearing a tan jacket. The background is dark and out of focus. The image is framed by a decorative border consisting of several overlapping curved lines in blue, green, and yellow.

A close-up photograph of an ASB composite panel. The panel is shown in a cross-section, revealing its multi-layered construction. A prominent red decorative strip is visible on the side. The ASB logo is printed on the bottom right of the panel.

Go Sportz has also introduced **TOP SQUASH** which is a unique scoreboard.
