

BEFORE & AFTER

Go Sportz offers the widest range of **Synthetic Tennis Surfaces** in India. From basic **ACRYLIC Hard Court Systems** to **ACRYLIC Insitu-cushion systems** and **Synthetic Turf**, Go Sportz Tennis brings the perfect choice of surfaces suited to the requirements.

Go Sportz has also introduced, for the **FIRST TIME IN INDIA**, a **Synthetic Clay Court System**.

Learning on clay is the single best thing you can do to create future champions.

-Top 10 Tennis Players since 1973

-88% grew up on clay courts

-Countries like U.S., Canada, Australia, U.K., and China, have been using only clay for training juniors.

Why not INDIA ?

BENEFITS OF LEARNING ON CLAY COURTS

- Learn patience
- Endurance
- Footwork/balance
- Learn to control core
- Learn to construct points
- Understand the game

Go Sportz Synthetic Clay Courts basically brings to you the best of both worlds with the Synthetic Clay Court, you have the benefits of Clay & at the same time have a year round playing surface.

Go Sportz has partnered with **Proflex**, the largest supplier of Acrylic courts in the UK, **Green Set** – the best surface for the

best tennis, who are the biggest suppliers to the ATP tour events including the season ending Barclay's ATP World Tour Finals in London & **Conipur ProClay** – supplier of the Synthetic Clay Courts for the Porsche Open in Stuttgart, Germany. Go Sportz also works with **Lano**, Belgium for supply of the ITF approved Synthetic Turf.

With the backing of some of the biggest names in the sports industry, you can be rest assured of the best possible product and service quality.

Go Sportz has installed the courts at the **Maharashtra State Lawn Tennis Association Centre** in Mumbai and Solapur as well as the **All India Tennis Association Centre**.

LANO
SPORTS

With a long list of customers from Delhi Gymkhana, New Delhi to Mayor World School, Jalandhar & courts done for Sastra University in Thanjavur & Delhi Public School in Kolkata we have more or less covered the entire length & breadth of the country. With over 200 courts installed in the past three years we have been successful in creating a respectable place in the tennis court industry.

COMPLETE TURN KEY PACKAGES

Go Sportz can take a project from scratch and convert it to a world class facility. This would include the base work, peripheral fencing, lighting, posts as well as all related accessories that may be required.

Go Sportz can also help design the facility and offer project management services for a new or refurbishment project. With our international partners and our extensive experience, we can help bring the latest technology as well as services to any facility.

SERVICES 360°

Go Sportz is working towards being an **ITF RECOGNISED COURT ASSESSOR** which will authorize Go Sportz to assess courts for an **ITF 'One Star' recognition**.

MAINTENANCE PLANS

The Synthetic surfaces supplied by Go Sportz require basic maintenance. These need to be followed routinely to get full value for your investment. Depending on the type of surface selected, Go Sportz offers a **range of maintenance packages from Monthly to Annual**. The packages can be customized based on the usage and type of facility.

RENOVATION PACKAGES

Acrylic surfaces tend to wear down over the years, being exposed to the tough weather conditions. Go Sportz has come up with basic renovation to complete overhaul packages which could include replacement of the playing surface completely.

ACCESSORIES

Go Sportz has the capacity to equip your tennis courts with all accessories that the sport requires. We have developed:

- Net posts
- Water pushers
- Water rollers
- Nets, as well as
- Mobile training rebounding walls

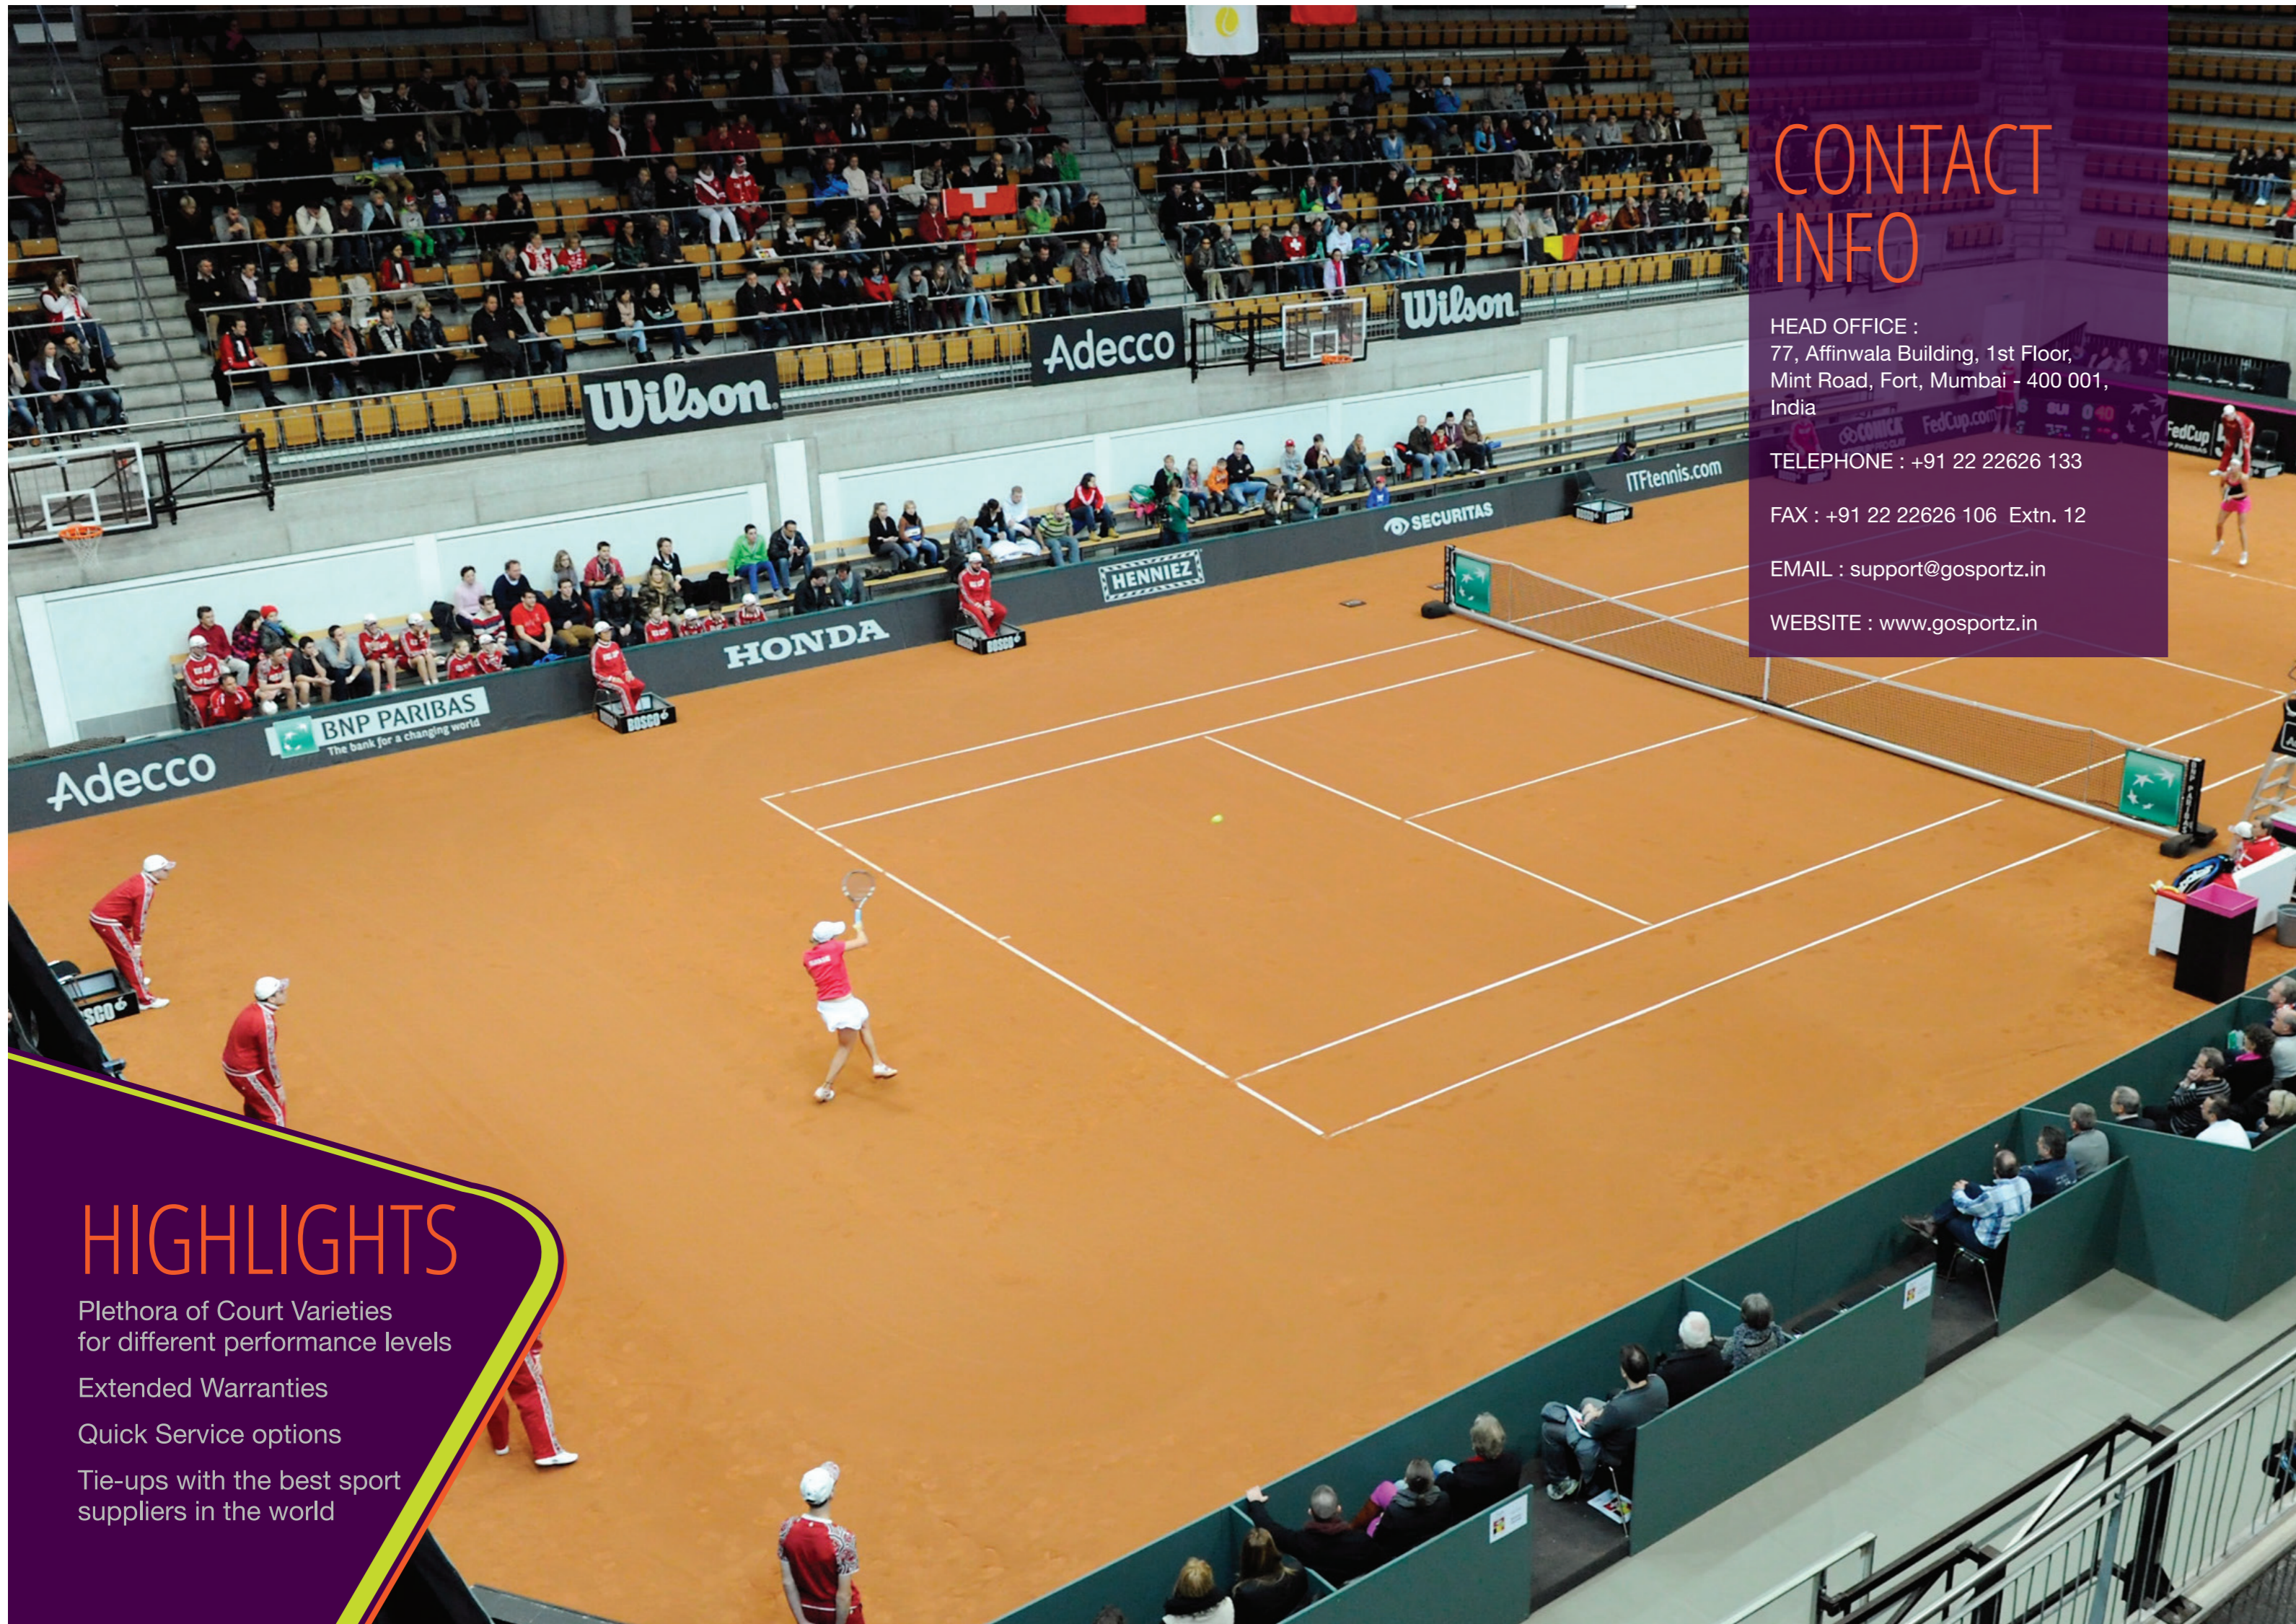

(very useful at facilities where there is no periphery high wall).
